

Sole Source Letter

September 1, 2025

School or District Representative:

CourseWorkBooks, Inc., is the sole creator and copyright holder of its educational books. The books are printed on demand by Mixam. Although some books are sold through various channels (including Amazon), CourseWorkBooks remains the sole source for these publications and controls the pricing and availability of its books on these sites. The prices of items sold to schools through CourseWorkBooks will always be equal to or lower than at any of these sites.

Below is a list of books currently available for purchase by schools through CourseWorkBooks as a sole source vendor.
